October 31, 2011

Subject: Iodine 123 100 μ Ci and 200 μ Ci Product Discontinuations

Dear Healthcare Professional,

This is to inform you that GE Healthcare will discontinue manufacturing Iodine 123 capsules. Final production will occur on November 9, 2011.

Customers ordering from the GE Healthcare pharmacy network should continue to order through their local GE Healthcare pharmacy and will receive Iodine 123 100 μ Ci and 200 μ Ci capsules manufactured by Covidien Imaging Products.

Customers ordering directly from GE Healthcare's manufacturing facility in Arlington Heights, IL, will no longer be able to order Iodine 123 100 μ Ci and 200 μ Ci capsules from GE Healthcare. Orders can be placed directly with Covidien at 1-888-744-1414.

GE Healthcare remains committed to the SPECT portfolio and to offering our customers a wide range of core nuclear products to meet your needs, as well as those of your patients.

We appreciate your business and value you as a customer. If you have questions about ordering, please contact your local GE Healthcare representative, GE Healthcare pharmacy, or our Customer Service department at 1-800-292-8514.

Sincerely,

Susan M. Ritchie
