Subject: **KIT FOR THE PREPARATION OF TECHNETIUM Tc 99m MERTIATIDE INJECTION**

Dear Valued Jubilant Radiopharma Customers,

It's official! Jubilant Radiopharma's **KIT FOR THE PREPARATION OF TECHNETIUM Tc 99m MERTIATIDE INJECTION** is now available for purchase. Mertiatide is a radioactive diagnostic agent indicated for use in the diagnosis of congenital and acquired renal abnormalities, renal failure, urinary tract obstruction, and calculi in adults and pediatric patients aged 30 days and older. Please be aware that we will begin to ship on the week of May 29th. Finally, you can review the Product Prescribing Information in the attachment.

Our Customer Service Team is available to take your orders or answer any questions you may have. Please contact us directly by email at Customerservice@jdi.jubl.com, or by phone at Toll-Free: 1-888-633-5343

Thank you for your continued support.

Best regards,

Christopher Middleton
