

APRIL 2018

SUBJECT: Aytu BioScience discounting PROSTASCINT® (Capromab Pendetide) Kit

Dear Pharmacy Professional:

We would like to inform you that Aytu BioScience has decided to voluntarily discontinue the manufacture and distribution of PROSTASCINT® in the United States as of April 2018. PROSTASCINT® is a diagnostic imaging agent used for the evaluation of patients with prostate cancer. Please note that this is a business decision made by Aytu BioScience.

**Has this decision made take due to a safety concern?**

No, this decision was not made due to any safety or efficacy concerns.

**What alternatives to PROSTASCINT are available?**

Other diagnostic imaging agents are available.

If you have any additional questions, please call the Aytu BioScience Customer Call Center at 1-855-298-8246. Thank you.

Sincerely,

David Green

Chief Financial Officer, Aytu BioScience
